Reading the Schedule

- 1 Find the schedule for the day of the week and the direction you wish to ride.
- 2 Find the timepoints closest to your origin and destination. The timepoints are shown on the route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may be between timepoints.
- 3 Read down the column to see the times when a trip will be at the given timepoint. Read the times across to the right to see when the trip reaches other timepoints. If no time is shown, that trip does not serve that timepoint.

How to Ride Metro

- 1 Please wait by the blue bus stop sign a few minutes before the bus is scheduled to arrive.
- 2 When the bus arrives, check the sign above the windshield for the route number and name. Another sign is located just to the left of the front door at the top of the window. If you are still unsure if you have the correct bus, ask the driver.
- 3 Pay your fare. Please have your fare ready before you board the bus.

Cash & Tickets: Put bills, coins, or tickets into the farebox. Exact change is required. If you need a transfer, request one from the driver. Passengers paying the elderly/disabled fare or ticket are required to show their Metro Reduced Fare Card or Medicare Card to the driver.

Passes: Show your pass to the driver.

- 4 Take a seat and watch for your stop. Please note that seats at the front of the bus are reserved for the elderly and disabled.
- 5 About a block from your stop, pull the cord on the wall above your seat to signal the driver. Wait until the bus comes to a complete stop and depart from the door that is nearest to you.
